DECISION AWARDING DAMAGES¹

On December 8, 2020, Amanda DeCook filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a Table Injury – Shoulder Injury Related to Vaccine Administration (“SIRVA”) – as a result of her October 16, 2019 influenza (“flu”) vaccination. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On December 9, 2022, a ruling on entitlement was issued, finding Petitioner entitled to compensation for SIRVA. On December 8, 2022, Respondent filed a Rule 4(c) Report Recommending Entitlement and Proffer of Damages (“Proffer”) indicating Petitioner should be awarded \$115,000.00. Proffer at 6-7. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Pursuant to the terms stated in the Proffer, **I award Petitioner a lump sum payment of \$115,000.00 in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The Clerk of Court is directed to enter judgment in accordance with this decision.³
